## MRO Certification

### NEW THIS YEAR!!

AAMRO's Medical Review Officer Training and Certification Programs

AAMRO's training programs are designed to prepare physicians to act as Medical Review Officers for regulated and non-regulated workplace drug testing programs.

The 12th Annual Federal Worker's Occupational Health Conference will also include MRO Training and Certification Examination, provided by American Association of Medical Review Officers (AAMRO). MRO Training will begin on Sunday August 1, 2010 and the Occupational Health Conference will begin on Wednesday, August 4.

The MRO training is independent of the Occupational Health Conference and interested individuals may register for one or both of these excellent training programs.
